THE 5 LABOR DAY WEEKEND SALES YOU'LL WANT TO SHOP FROM YOUR POOL FLOAT

Since the dawn of the internet, Labor Day Weekend has been giving Black Friday a run for its money. There are some end-of-summer sales so good they'll help you forget about the end of those sun-soaked summer Fridays.

Since you should be spending your time planning and executing the most memorable Labor Day Weekend party, rounded up from the recesses of the cyber world are the steepest, most surprising, and most exciting long weekend sales.

A heads-up from your friendly neighborhood shopper, some of these have already started and still have most size options. Buuuut...with prices this good from brands that rarely go on sale, your size may not be in stock forever—so consider this your field guide to avoiding whatever the opposite of buyer's remorse is (AKA what you get when you snooze and lose).

Read below to see the best sales happening this weekend.

Wear It To Heart

You'll probably be hearing more about this activewear brand this fall (specifically its Sweet Disco collection)—and right now you can score serious bargains. From September 1–7, get 30 percent off all styles with the code LABORDAY3017.

10 FAVORITE STYLISH WORKOUT CLOTHES THAT ACTUALLY PERFORM

09/22/2017

I am currently on a fitness journey of epic proportions (for me), and since some of you had asked about what I'm doing workout-wise after having two babies in under two years, I'm starting this Fitness Friday series today by sharing some of my favorite workout wear. I've been going hard at the gym 5-6 days a week and my goal is too sweat as much as possible during my sesssions, so these are not sissy Athleisure pieces (though they're good looking enough to pose as such). Having stylish, functional, and comfortable performance workout gear is such a motivator for me. When I hit a big fitness goal, I celebrate by getting rid of a piece from my workout wardrobe that no longer works for me and replacing it with a new chic piece. It makes more sense than celebrating with pizza, amiright?

Here are my 10 favorite stylish workout clothes that actually perform.
